Dear Sir

DONATION JARS

I am the founder of a new nonprofit called Papas Land Family Educational Advancement International Foundation, an education and economic development charity based in Maryland and in West Africa.

The Foundation would like to have a little help from you in raising the money our programs need. The help we ask for is just permission to leave donation jars in one or more of your stores. We can have someone periodically check in to remove the money, so there would be essentially no burden on store personnel. There may even be some public relations value in having these donation jars in your stores. Stores that are near the Maryland office of Papas Land are supporting a local charity. Many people in other areas appreciate a company that contributes to good causes like educating and feeding children.

Papas Land is a registered nonprofit with an ambitious long-term plan to provide food, schooling, and transportation services to the neediest people here and abroad. We are already delivering assistance to people in Ondo State Nigeria and in Maryland. We intend to expand our efforts with funds raised from numerous sources, including these donation jars.

If you have questions about the Foundation and its work, I would be happy to answer your questions. Call or Email to find out more about organizing a Coins for Disable Children Drive today: skypower898@aol.com or call [301-850-2559](tel:301-850-2559)./[240-476-3329](tel:240-476-3329).

Thank you for taking the time to consider supporting us.

Warm Regards,

Mr Felix Ogunduyilemi
Founder of Papas Land Family Educational Advancement International Foundation
