Dear Sir/Madam,

REQUEST FOR TRANSPORTATION VAN

Around the greater DC area thousands of disabled veterans, widows and widowers, homeless persons, and poor people struggle to get to medical appointments and pharmacies. Metro Access only helps some people. Poverty makes taxis and ride sharing a real financial burden for some. Many people in that situation have no one who can be counted on to help. You may know someone in this situation, but don't realize it.

I am writing to you in hopes that you can help our organization solve this problem by supporting our purchase of this van.

Are you wondering how a small donation can contribute to solving this transportation problem? Well, if 400 people donate \$50 each, that is enough to buy a quality, used passenger van. Neighbors and extended family who may have been too proud to ask someone they know for help will have an easy way to get where they need to go.

Papas Land Family Educational Advancement International Foundation Inc. is a Maryland-based organization that provides free transportation in the DC metro area and educational support in Nigeria, at first, then in other parts of Africa and the world. Papas Land Family Educational Advancement International Foundation Inc. provides caring and compassionate service to victims of difficult circumstances and natural disasters. Papas Land strives to build healthy communities, strengthen communities and provide opportunities for those in despair. We serve residents in the DC Metro area and in Ondo City, in Southwest Nigeria.

Papas Land Family Educational Advancement International Foundation Inc. is a registered 501(c)3 organization. We have already done some work to assist needy individuals and families in Africa by delivering some food and supplies to Africa. We are requesting help to expand our services here. That is why we are asking you to donate \$50 toward the purchase of a 15-passenger van. We look forward to hearing from you and hopefully forming a partnership to serve some of the neediest citizens of our region.

Regards,

Mr. Ogunduyliemi Felix
Founder/Director

PS Several thousand people a year in the Metro area have serious trouble getting around and have no one to help them out, but we can help by funding transportation. Your \$50 donation can really help us get the van we need.
