Dear Sir/Madam,

### REQUEST FOR KIDS' FOOD AND HYGIENE ITEMS

I am writing to you in hopes that you will be able to help Papas Land Family Educational Advancement International Foundation Inc. with a project in the greater DC area.

One of the Foundations programs is to provide food aid to needy kids in the area. We wonder if you could supply cases or boxes of some basic foods, including:

- Soup
- Pasta
- Rice and beans
- Fun snack items like Fruit Roll-Ups
- Snack chips
- Canned tuna
- Pop Tarts and Granola bars
- Dry cereal
- Evaporated milk
- Jam and jelly
- Peanut butter
- Baby food and baby formula

We would be especially interested in “kid-friendly” packaging and children’s sizes. We can accept. For now, we can only accept non-perishable foods.

We know there are opportunities to plug some gaps in the safety net that are left by existing food banks and government programs. We also hope you can donate medicine and hygiene items.

Our Foundation is also seeking donations of toiletries and feminine hygiene items. Pads, toothpaste, toothbrushes and tampons are critically important but are often too expensive for the poorest families to afford. Basic medicine is critically important to impoverished families. This is why we are also soliciting donations of over-the-counter medicines like ibuprofen, anti-diarrhea medicine, and antiseptic ointment.

Thank you again for taking the time to consider a donation of food, medicine, or hygiene items to Papas Land.

Respectfully,

Mr. Ogunduyliemi Felix  
Founder/Director
