Dear Sir/Madam,

REQUEST FOR KIDS' FOOD AND HYGIENE ITEMS

I am writing to you in hopes that you will be able to help Papas Land Family Educational Advancement International Foundation Inc. with a project in the greater DC area.

One of the Foundations programs is to provide food aid to needy kids in the area. We wonder if you could supply cases or boxes of some basic foods, including:

- Soup
- Pasta
- Rice
- Beans
- Fun snack items like Fruit Roll-Ups
- Snack chips
- Granola bars
- Canned tuna
- Pop Tarts
- Dry cereal
- Evaporated milk
- Jam and jelly
- Peanut butter
- Baby food and baby formula

We would be especially interested in “kid-friendly” packaging and children’s sizes. We can only accept for now non-perishable foods.

We continue to Help the Children, with your food items, personal hygiene products, and medication contributions. Your efforts make lasting differences in the lives of many.

Dry goods, canned goods, rice, and beans are useful staples that can go a long way. If you have food products to donate, please call 301-850-2559.

EDUCATE A WOMAN. EDUCATE THE WORLD

Soap, toothpaste, and feminine hygiene products are always needed, yet often overlooked as donations. They are basic items that we use in our everyday lives and invaluable to impoverished families around the world. If you have hygiene products to donate, please call 301-850-2559.

Acetaminophen, ibuprofen, and antibiotic ointment are in high demand. Our medicine cabinets contain products that can save lives in other countries, so please find a way to donate unopened packages of over-the counter medications. Antibiotics in the form of pills cannot be donated by households, but many clinics and companies have medical donation policies. A seemingly insignificant cut can easily become infected, without proper medical attention. Help us alleviate suffering. Call 301-850-2559 to make a medication donation.

We are making things happen and need your support to turn Papas Land Family Educational Advancement International Foundation Inc. into success story. Can we count on you to contribute \$5.00 to help the children? You can send us your heartily donation package to us at 3540 CRAIN HIGHWAY SUITE #349 BOWIE MARYLAND 20716.

We know there are opportunities to plug some gaps in the safety net that are left by existing food banks and government programs. This is how we plan to use any food you are able to donate.

Thank you again for taking the time to consider a food donation to Papas Land.

Respectfully,

Mr. Ogunduyliemi Felix
Founder/Director
