Dear Sir/Madam,

### LETTER OF INTRODUCTION

My name is Felix Ogunduyilemi and I am the founder of Papas Land Family Educational Advancement International Foundation Inc.. I am writing to you because I know you share a commitment to addressing one of the social problems the Foundation exists to address. Papas Land is a Maryland-based organization that provides free transportation in the DC metro area and educational support in Nigeria, at first, then in other parts of Africa and the world.

Papas Land Family Educational Advancement International Foundation Inc. provides caring and compassionate service to victims of difficult circumstances and natural disasters. Papas Land strives to build healthy communities, strengthen communities and provide opportunities for those in despair. We serve residents in the DC Metro area and in Ondo City, in Southwest Nigeria. We will collect donations from various groups and individuals, as well as from businesses. We plan to focus on middle-class and wealthy African expats, but will also seek donations from anyone who feels moved to help us achieve one of our goals.

We have delivered some food and supplies to Africa before. We have offices here in Maryland and in Ondo City in Nigeria. Our long-term plans include running several programs designed to fight poverty around the Greater DC area, and elsewhere in Africa including:

1. Family Support Services
2. Hunger Prevention
3. Back-to-School Giveaways – including uniforms, backpacks, and tuition assistance
4. Burial Assistance
5. Transportation Assistance - in the USA now, later in West Africa

We will solicit donations of cash, school supplies, school books, food, wheelchairs (an overlooked need!), and a truck we could use to transport both people and donated goods.

Your organization can become a vital part of carrying out these programs. If you are convinced that either our US programs or our Africa programs are critically important, please consider supporting Papas Land Family Educational Advancement International Foundation Inc. Finally, Papas Land is also a registered 501(c)3 non-profit.

Warm Regards,

Mr. Ogunduyilemi Felix  
Founder/Director
