ADVOCACY AND PASSIONATE APPEAL FOR URGENT INTERVENTION TO MAKE LIFE EASY FOR DISABLED MOTHERS ON WHEELCHAIR IN LAGOS STATE NIGERIA

My name is Idris Patience Chigozie. I am a disabled attorney At law in Nigeria, also a group leader of Mothers on Wheelchair Lagos Nigeria.

I am making a passionate appeal on behalf of disabled Mothers on Wheelchair Lagos State for an urgent intention to alleviate the suffering of such disabled mothers who leave in squalor, abject poverty and in humane health condition due to their disability. Often times, due to their inability to assist in maintaining their families their husbands desert them with some of their children exposing most of the other children left to street hawking with the attendant mishap and danger.

I made several attempts to draw the attention of philanthropist and Lagos state government for the past two years and last year respectively all to no avail hence this appeal to Papas Land Foundation.

I hope that this appeal meets your kindness and grows to fruition.

Please and please rescue these disabled women in the following but not limited areas of intervention.

- 1) Feeding
 - (a) Financial assistance in periodic distribution of food items to Mothers on Wheelchair and their children.

- 2) Health
 - (a) Sanitary pad for Mothers on Wheelchair and their daughters
 - (b) Medication for disabled mothers and their children
 - (c) Financial assistance for wheel chair procurement.
 - (d) Detergents
- 3) Poverty alleviation
 - (a) Assist financially to provide makeshift kiosk and provisions for sale by mothers on wheel chair.
- 4) Educational writing materials to aid the teaching of disabled mothers as adult education
- 5) To fund a co-operative society that would encourage savings amongst mothers on wheel chair and subsequent building of formidable financial back up.
- 6) Building project that would have employed disabled staff for coordinating the affairs of mother on wheelchair and serve as a school for adult education.
- 7) Any other living aid.

Thank you sir.
