Dear Sir/Madam,

REQUEST FOR U-HAUL TRUCK

Do you agree that a decent education is critical to a child growing up in poverty? We hope so. We also hope you would be willing to help our organization help children in Africa get that education. We have a strategic plan and a network of potential donors for school supplies, bicycles, books, bulk food like rice and more. What we lack is a convenient way to collect donations and transport them to the warehouse space we plan to rent. What we lack is a reliable, used truck.

That is why we are writing to you today. Would you be able to donate a used truck? We're open-minded about the size, if it is still in good condition. We want the Foundation to have this truck because it will make collecting donations from homes and business so much easier. If the Foundation has this truck it will be easier to collect books, food donations, and school supplies destined for Nigeria.

Papas Land Family Educational Advancement International Foundation Inc. provides caring and compassionate service to victims of difficult circumstances and natural disasters. Papas Land strives to build healthy communities, strengthen communities and provide opportunities for those in despair. We serve residents in the DC Metro area and in Ondo City, in Southwest Nigeria. We have an office there now. We have also sent supplies to Africa in the past year. Finally, Papas Land is also a registered 501(c)3 nonprofit.

Can you help me out by arranging the donation of this vehicle? We want to own a vehicle versus renting one because owning a truck gives us so much more flexibility to pick up and deliver material. We hope you can help us by finding.

Warm Regards,

Mr. Ogunduyliemi Felix
Founder/Director

PS A used truck from U-Haul or a similar company would be a huge help in our donation program, and we hope you can help us by donating one or putting us in contact with someone who can.
